EUROPE WORKING TOGETHER

We were able to rank... VERY IMPORTANT than what we were... to develop logistics.

WHY?

Working together is all about the people, who bring a memory of Europe and perspectives to the table.

- Experience
- Diversity
- Languages
- Identity

What does it mean?

- It is the tools.
- What are they? They don't exist.
- How are they used?
- Can you give us an example?

- Sustainability
- Future
- Decadence
- Climate
- Energy

- How do you measure it?
- What do you want to get out of this?
- How will it be measured?

We have a... creating a new order. Learning how to develop systems and understand

The answer is... through education, through work, through the development of new ideas.
